

FUNDRAISING

WITH CAVE SPRING VINEYARD

Cave Spring Vineyard is proud to support our local organizations with a fun and easy way to raise funds! Here is how it works:

We will provide a Wine Order Form that your participants can use to collect orders. Your organization will then consolidate all orders into ONE final order form (Excel) to pass on to us. Then it is over to CSV to pack and fulfill your order!

Cave Spring will make a charitable donation to your organization worth 25% of the purchase price net taxes and bottle deposit for each wine you sell.

Once you have consolidated and submitted your final order:

- Payment will be collected on ONE credit card, EFT or cheque.
- We will provide a date for the order to be picked up at our winery in Jordan.
- Alternatively, if pick up is not an option we will ship to one location subject to a shipping fee paid by your organization.
- Once payment has processed and the order is complete, CSV will process the donation amount and provide the organization a cheque.

For any questions or further information please contact Dee Dee Cowan d.cowan@cavespring.ca

Donations are limited to sales within Ontario based on retail value net of taxes and deposits.

WINE ORDER FORM

Fundraiser/Organization: _____

WINE MENU:

FAQ

Is Tax included in the price?

HST and bottle deposit are included in the price on the order form. We deduct the HST (13%) and the bottle deposit (.20cents/btl) before calculating the 25%

Will orders be sorted?

The orders will not be sorted individually. Each wine case will have the contents listed on the top of the case.

How does the organization pay for the orders?

We ask that the organization gathers all the individual order forms and consolidates onto one excel spread sheet that we will provide for the individual spearheading the campaign.

When will we receive our donation from Cave Spring?

Cheques are processed at month's end, following receipt of full payment.

Can our order be delivered?

Our preference is that orders are picked up so that your organization can maximize the benefits of the program. However, delivery can be arranged but there will be a delivery fee. This will be determined by the size of the order and the delivery address (within Ontario).

Can I place an order for an event?

No, unfortunately, this fundraiser is intended to support not-for-profit teams, organizations and groups in the community.

Will we receive Rewards points with our wine purchase?

Fundraising purchases include a 25% donation and are therefore not eligible for Rewards points
