

FUNDRAISING

WITH CAVE SPRING VINEYARD

Cave Spring Vineyard is proud to support our local organizations with a fun and easy way to raise funds! Here is how it works:

We will provide two forms:

One form for your participants to record their individual order.

The second form for you to consolidate all individual orders into.

Cave Spring will make a charitable donation to your organization worth 25% of the purchase price net taxes and bottle deposit for each wine bottle you sell.

Once you have consolidated and submitted your final order:

- Payment will be collected on ONE credit card, EFT or cheque.
- CSV will pack and prepare your order in bulk, to be separated by individual order by your organization.
- We will provide a date for pick up at our warehouse in Jordan Village.
 - Shipping to one location is available for a fee.
- Once payment is processed and the order is complete, CSV will process the donation amount by cheque or EFT.

For any questions or further information please contact Erika Cirocco-Cayouette e.cirocco@cavespring.ca

Donations are limited to sales within Ontario based on retail value net of taxes and deposits.

FAQ

Is Tax included in the price?

HST and bottle deposit are included in the price on the order form. We deduct the HST (13%) and the bottle deposit (.20cents/btl) before calculating the 25% donation amount.

How will orders be packed?

The orders will be packed in bulk and will not be sorted individually. Each wine case will have the contents listed on the top of the case. It will be the responsibility of your organization to sort the orders for individual recipients.

How does the organization pay for the orders?

The organization gathers all the individual order forms and consolidates them onto one excel spread sheet that we will provide. Individual order payments are at the responsibility of the organization to execute.

When will we receive our donation from Cave Spring?

Cheques are processed at month's end, following receipt of full payment.

Can our order be delivered?

Our preference is that orders are picked up so that your organization can maximize the benefits of the program. However, delivery can be arranged for a fee. This will be determined by the size of the order and the delivery address (within Ontario).

Can I place an order for an event?

No, unfortunately, this fundraiser is intended to support not-for-profit teams, organizations and groups in the community.

Will we receive Rewards points with our wine purchase?

Fundraising purchases include a 25% donation and are therefore not eligible for Rewards points.
