\$27.95 • 750 • 6 bt/cs • Brut • Disgorged 8/2021

ABOUT THIS WINE

The name 'Dolomite' refers to the type of limestone that forms the crest of the Niagara Escarpment. Through the forces of erosion, this ancient rock has come to enrich the soils of the hillsides below. Grown along these gentle slopes in our Beamsville Bench vineyard, this Chardonnay-based sparkling wine bears the mark of its origins. The calcareous clays of our site contribute to the vibrant fruit and mineral tone that are the wine's hallmark.
